Dear Shareholders

DISTRIBUTION TO HOLDERS OF PRIVATE EQUITY SHARES

As explained in the Admission Document, the Company's current investing policy in relation to the Private Equity Portfolio is to seek to realise its Private Equity Portfolio investments at the best available value and in a reasonable timeframe with a target exit date of no later than 30 June 2017. The Company committed to distribute the proceeds from the sale of investments in the Private Equity Portfolio and surplus net cash-flows to the Shareholders of the Private Equity Shares on a periodic basis.

In regards to any distribution, Shareholders will be given the option to receive their applicable distributions in cash or, if they are Eligible Shareholders to elect to have their applicable distributions invested by the Company in the subscription for such number of VVF Shares including fractions (at the then current net asset value of a VVF Share) as equals the relevant distribution (rounded down to three decimal places).

VVF is a sub-fund of Forum One, an investment company with variable capital (a SICAV) with multiple sub-funds (incorporated under the Luxembourg Law of 17 December 2010 on undertakings for collective investment) regulated by the CSSF. The objective of VVF is primarily to achieve long term capital growth of its assets and increase the value of the invested capital through investments in a diversified portfolio without any restriction regarding the industry sector or the geographic location. VVF invests in transferable securities across all sectors, primarily those issuers that are: (i) listed, traded or dealt on the Ho Chi Minh Stock Exchange and the Hanoi Stock Exchange; or (ii) those issuers that carry out a substantial part of their economic activity in Vietnam and are listed, traded or dealt in on stock exchanges worldwide. Further details regarding VVF and its investment policy can be found in the most recent Forum One Prospectus and VVF Data Sheet. A copy of the most recent Forum One Prospectus and VVF Data Sheet are available on the website of VinaWealth Fund Management JSC (the investment manager to VVF) at <http://www.vinawealth.vn/en/vinacapital-fund/>.

The Company has made steady progress in divesting its Private Equity Portfolio investments since the last distribution in May 2016. In June 2016, the Company divested its entire stake in the Vina-CPK Limited Company for US\$22.1 million. In November 2016, the Company divested its interest in the Long An SEA mixed-used project for US\$2.373 million. Most recently, the Company divested 100 per cent. of its interest in Southeast Asia Telecommunications Holdings Pte. Ltd. (SEATH) to OCK Vietnam Towers Pte. Ltd (OCK) for US\$50 million.

As a result, the Board has resolved to declare an aggregate distribution to Shareholders of US\$65 million (the "**Distribution**") representing US\$0.1856 (rounded up to 4 decimal places) for each Private Equity Share currently in issue (the "**Applicable Distribution Amount**"). The Record Date for the Distribution is 6.00 p.m. (UK time) on 24 February 2017.

Following the completion of the divestment of SEATH, and in accordance with paragraph 5.6 of the AIM Note for Investing Companies, which forms part of the AIM Rules, the Company has disposed of substantially all its assets and now has a period of 12 months from the date of the SEATH disposal to implement its investing policy being an orderly wind up of the fund. If this is not fulfilled, the Company's Private Equity Shares will be suspended from trading on AIM in January 2018.

As previously notified, an EGM with respect to the continuation vote will be held on or before 30 June 2017 at which a proposal to wind-up the fund will be proposed. Subject to the sale of the last remaining asset, IBS, the Company anticipates making a further distribution before or in conjunction with the commencement of the voluntary liquidation process towards the end of the 2017 financial year (30 June 2017). Details of proposals and timing for the EGM and voluntary liquidation of the Company along with cancellation of the admission of its Private Equity Shares to trading on AIM will be announced at the beginning of the second quarter of 2017.

As noted above, Shareholders entitled to receive the Distribution may elect to receive their Applicable Distribution Amount in the form of a cash payment OR, if they are Eligible Shareholders, may elect to have the Company apply their Applicable Distribution Amount by subscribing for VVF Shares in the Company's name, and then transfer such VVF Shares to the Eligible Shareholder (the "Election").

The subscription for VVF Shares will be made in accordance with the requirements set out in the Forum One Prospectus and VVF Data Sheet. Subscriptions can be made on each Valuation Day. A Valuation Day is each business day in Luxembourg and Vietnam with the exception of Good Friday, 24 December (Christmas Eve) and any other day on which the stock exchanges in Vietnam are closed.

Please note that if an Eligible Shareholder does not make an Election they will receive VVF Shares pursuant to the terms of this document and not a cash payment.

Further terms and conditions relating to the Distribution and Elections are set out in Part 2 of this document. In addition, those Eligible Shareholders who elect to receive VVF Shares, or who may receive VVF Shares in default of making an Election, are urged to review the risk factors set out in Part 3 of this document.

It is expected that Eligible Shareholders who submit valid Election Forms and Transfer Forms and who have elected to receive VVF Shares Only and who have provided all required anti-money laundering and know your customer compliance documents will receive confirmation in writing from EdR Asset Management (as administration agent for VVF) that their VVF Shares are registered in their name by the Settlement Date but no certificates representing the VVF Shares will be issued.

Whether Shareholders elect to receive their Applicable Distribution Amount in the form of a cash payment OR elect to receive VVF Shares will depend on each Shareholder's circumstances and is a decision which each Shareholder must make for itself in light of its individual financial and tax circumstances and personal investment objectives.

Forum One has no involvement in the Distribution and the Board of Directors of Forum One takes no responsibility for the Distribution or for this document.

Yours faithfully,

Rupert Carington
Chairman

- 8.9 In the event of delay or failure on the part of a Shareholder in producing any information required for verification purposes, the registration account number in respect of the VVF Shares issued to such Shareholder will be blocked for redemptions until such documents are made available to EdR Asset Management and EdR Asset Management is satisfied with such documents.
- 8.10 EdR Asset Management on VVF's behalf, also reserves the right to refuse to make any redemption payment to a VVF Shareholder if the Directors or EdR Asset Management suspect or are advised that the payment of redemption proceeds to such VVF Shareholder might result in a breach of applicable anti-money laundering, counter terrorism or other laws or regulations by any person in any relevant jurisdiction, or if such refusal is considered necessary or appropriate to ensure the compliance by VVF or EdR Asset Management with any such laws or regulations in any applicable jurisdiction.
- 8.11 If any person resident in the Cayman Islands knows or suspects or has reasonable grounds for knowing or suspecting that another person is engaged in criminal conduct or is involved with terrorism or terrorist property and the information for that knowledge or suspicion came to their attention in the course of business in the regulated sector, or other trade, profession, business or employment, the person will be required to report such knowledge or suspicion to (i) the Financial Reporting Authority of the Cayman Islands, pursuant to the Proceeds of Crime Law (2016 Revision) of the Cayman Islands if the disclosure relates to criminal conduct or money laundering, or (ii) a police officer of the rank of constable or higher, or the Financial Reporting Authority, pursuant to the Terrorism Law (2015 Revision) of the Cayman Islands, if the disclosure relates to involvement with terrorism or terrorist financing and property. Such a report shall not be treated as a breach of confidence or of any restriction upon the disclosure of information imposed by any enactment or otherwise.
- 8.12 Any VVF Shares subscribed in the name of the Company and then transferred to Eligible Shareholders will be subject to the terms of the Forum One Articles to which such Eligible Shareholder will become subject following the Company's transfer of such VVF Shares to such Eligible Shareholder.

9. MISCELLANEOUS

- 9.1 All changes to the terms and conditions of the Distribution will be followed as promptly as practicable by a public announcement thereof no later than 1.00 p.m. (UK time) on the Business Day following the date of such changes. Such an announcement will be released to a Regulatory Information Service of the London Stock Exchange. References to the making of an announcement by the Company includes the release of an announcement by the Company to the press and delivery of, or telephone or facsimile or other electronic transmission of, such announcement to a Regulatory Information Service of the London Stock Exchange.
- 9.2 Except as contained in this document, no person has been authorised to give any information or make any representation with respect to the Company or the Distribution and, if given or made, such other information or representation should not be relied on as having been authorised by the Company. Under no circumstances should the delivery of this document or the transfer of any VVF Shares pursuant to the Distribution create any implication that there has been no change in the assets, properties, business or affairs of the Company and/or VVF since the date of this document.
- 9.3 A person who is not a Shareholder has no right under the Cayman Islands Contracts (Rights of Third Parties) Law, 2014, as amended, modified, re-enacted or replaced (the "**Third Parties Law**"), to enforce, in its own right or otherwise any term of the Distribution, provided that the attorney, EdR Asset Management and the Receiving Agent (each, a "**Beneficiary**") may rely on the powers and authorities granted hereunder subject to and in accordance with the provisions of the Third Parties Law. Notwithstanding any other term of the Distribution, the consent of any person (including without limitation, any Beneficiary) is not required for any amendment to, or variation, release, rescission or termination of the Distribution.

10. RESTRICTED SHAREHOLDERS AND OVERSEAS SHAREHOLDERS

- 10.1 The provisions of this paragraph 10 and any other terms of the Distribution relating to Restricted Shareholders may be waived, varied or modified as regards with specific Shareholders or on a general basis by the Company but only if the Company is satisfied that such a waiver, variance or modification will not constitute or give rise to a breach of applicable securities or other laws.
- 10.2 Overseas Shareholders should inform themselves about and observe all applicable legal requirements. It is the responsibility of each Overseas Shareholder wishing to elect to receive VVF Shares pursuant to the Distribution to satisfy himself as to the full observance of the laws of the relevant jurisdiction in connection herewith, the compliance with other necessary formalities and the payment of any transfer or other taxes or other requisite payments due in such jurisdiction. Any such Overseas Shareholders will be responsible for the payment of any such transfer or other taxes or other requisite payments due by whomsoever payable and the Company and any person acting on their behalf shall be fully indemnified and held harmless by such Overseas Shareholder for any such transfer or other taxes or other requisite payments such person may be required to pay. No steps have been taken to qualify the Distribution or to authorise the extending of the Distribution or the distribution of the Election Forms, in any territory outside the United Kingdom.
- 10.3 Restricted Shareholders cannot elect to receive VVF Shares in order to avoid offending applicable local laws relating to the implementation of the Distribution. A Restricted Shareholder is any Shareholder who is resident in, or a citizen of, a Restricted Territory.
- 10.4 Subject to the discretion of the Company, a Shareholder will be deemed not to have made a valid Election for VVF Shares if (i) such Shareholder is unable to make the representations and warranties stated in paragraph 7.1.1 (if relevant) and 7.1.2 of this Part 2; or (ii) such Shareholder inserts in Box 1A of the Election Form or Box 2A of the Transfer Form the name and address of a person or agent in a Restricted Territory; or (iii) the Election Form or Transfer Form received from him/her/it is in an envelope postmarked in, or which otherwise appears to the Company or its agents to have been sent from, a Restricted Territory. The Company reserves the right, in its absolute discretion, to investigate, in relation to any Election for VVF Shares, whether the representations and warranties referred to in paragraph 7.1.1 (if relevant) and 7.1.2 above given by any Shareholder are correct and, if

such investigation is undertaken and as a result the Company determines (for any reason) that such representations and warranties are not correct, any Election made for VVF Shares shall not be valid.

- 10.5 If, in connection with making the Distribution, notwithstanding the restrictions described above, any person (including, without limitation, custodians, nominees and trustees), whether pursuant to a contractual or legal obligation or otherwise, forwards this document, the Election Form, the Transfer Form or any related offering documents in or into a Restricted Territory or uses the mails of, or any means or instrumentality (including, without limitation, facsimile transmission, telex, internet and telephone) of interstate or foreign commerce of, or any facility of a national securities exchange in, a Restricted Territory in connection with such forwarding, such person should (i) inform the recipient of such fact; (ii) explain to the recipient that such action may invalidate any purported Election by the recipient to receive VVF Shares; and (iii) draw the attention of the recipient to this paragraph 10.
- 10.6 Overseas Shareholders (that are not Restricted Shareholders) should inform themselves about and observe all applicable legal and regulatory requirements. If an Overseas Shareholder is in any doubt about their position, they should consult their professional adviser in the relevant territory.
- 10.7 Shareholders shall be aware that VVF is not registered in any jurisdiction other than in Luxembourg, the UK, Germany, Austria, Switzerland, Sweden and Singapore and that the offering or holding of VVF Shares must be done in accordance with applicable laws and under the sole responsibility of the Shareholders.

11. MODIFICATIONS

The terms of the Distribution shall have effect subject to such non-material modifications or additions as the Company may from time to time approve in writing. The times and dates referred to in this document may be amended by the Company at any time.

PART 3

RISK FACTORS

Eligible Shareholders should consider the following risk factors prior to deciding whether or not to elect to receive VVF Shares. Shareholders in any doubt about the action they should take are strongly advised to consult a suitably qualified financial adviser.

The following risk factors are not exhaustive and do not purport to be a complete explanation of all the risks and significant considerations involved when deciding whether to elect to receive VVF Shares and, further, are not intended to be presented in any assumed order of priority.

Additional risks and uncertainties not presently known to the Directors or that the Directors currently deem immaterial, may also have an adverse effect on the Company's and/or VVF's business. In particular, the Company's and/or VVF's performance may be affected by changes in market or economic conditions and in legal, regulatory or tax requirements in any of the jurisdictions in which the Company and/or VVF operate or intend to operate as well as overall global financial conditions.

Eligible Shareholders' attention is also drawn to the Risk Factors section set out at Part V of the Admission Document (a copy can be found on the Company's website) which sets out certain risks relating to VVF. In addition, Eligible Shareholders' attention is also drawn to the most recent Forum One Prospectus and VVF Data Sheet (a copy can be found on VinaWealth's website) which sets out certain risk relating to VVF.

Certain Eligible Shareholders may not be able to receive VVF Shares

If any Eligible Shareholder that wishes to elect to receive VVF Shares is unable to properly provide the required anti-money laundering and know your customer compliance documents to the satisfaction of EdR Asset Management, such person's election to receive VVF Shares will be rejected and such Eligible Shareholder's Applicable Distribution Amount may at the discretion of the Company be settled in cash.

Limited redemptions

Holders of VVF Shares may redeem their VVF Shares on each Valuation Day. However, if on any particular date, redemption orders represent more than 10 per cent. of all the VVF Shares, VinaWealth may advise the Board of Directors of Forum One and EdR Asset Management to reduce all outstanding redemption orders pro-rata up to that 10 per cent. limit (and satisfy such reduced orders) and delay the excess portion of the relevant redemption orders until the next Valuation Day (when the same power may be applied). In this case the redemption orders pending execution will be reduced proportionately and on that date the redemption orders which have been delayed in processing will be given priority over later orders. As at the date of this document, VinaWealth does not expect to provide such advice save in exceptional circumstances.

Taxation

The Applicable Distribution Amount may constitute taxable income pursuant to the individual tax regime to which a Shareholder is subject and may result in adverse tax consequences for such Shareholder. **Eligible Shareholders that elect to receive VVF Shares are strongly advised to consult their own professional tax advisers in relation to the effects of making such an election.**

The foregoing factors are not exhaustive and do not purport to be a complete explanation of all the risks and significant considerations involved in investing in the Company or VVF. Accordingly, and as noted above, additional risks and uncertainties not presently known to the Directors may also have an adverse effect on the Company's or VVF's Net Asset Value.
